**Re: Congratulations! Your institution is a 2015 Military Friendly® School!**

Dear Peter,

I am proud to notify you that Middlesex Community College (Ct) has been named by Victory Media as a Military Friendly® School for 2015! You should take great pride in this honor, as your institution is among the elite post-secondary schools across the country.

As a Military Friendly® School you will receive a complimentary basic web profile on our new Schools Matchmaker tool, and a basic listing in our printed *2015 Guide to Military Friendly® Schools*, both of which publish in late September. At that time we will issue a press release announcing the schools that made the list. I request that you refrain from any public announcement of your inclusion on the Military Friendly® Schools list until after our announcement, which is scheduled for September 23, 2014.

You will receive more information by email about using our flat logo in your marketing efforts, information to order a plaque recognizing your status, and a sample press release and social media posts to use after September 23. Information and important release dates will also be posted on MilitaryFriendly.com.

Finally, I urge you to augment your already stellar efforts by considering one of our new membership packages, which contain branding and marketing tools for recruitment, as well as reporting and training resources to bolster your programs and policies on campus. Please contact our Military Friendly® specialist, Paul Grant, at 412.269.1663 x138 or [paul.grant@victorymedia.com](mailto:paul.grant@victorymedia.com) with any questions or to discuss our membership options in detail.

On behalf of the military and veteran community, I thank you for your ongoing commitment to educating our nation's most deserving heroes.

Sincerely,

Sean J. Collins
