

**Guide to Selecting Middlesex Community College Courses
For the Connecticut Community College Nursing Program (CT-CCNP)
2018-2019 Academic Year**

Please Note: *In addition to using this guide for selecting classes, we recommend that you print the entire CT-CCNP Nursing Information Packet available at <http://www.ct.edu/academics/nursing>*

Admission Requirements: All must be completed by the end of the application period of Nov. 1, 2017 to Feb. 1, 2018

- Chemistry- One year of high school Chemistry with lab or Connecticut Community College (CCC) CHE*111 or equivalent, or CHE*121 with a grade of **C or higher**, completed within 5 years prior+ to application deadline of Feb. 1, 2018. **Note:** *Students who plan to take BIO* 211 at MxCC cannot use high school Chem. as CHE*111 or 121 is a prerequisite for BIO*211.*
- BIO*121 - *This course is not a nursing admissions requirement; it is a prerequisite for MxCC BIO*211.*
- Math- A score of 40 or higher on the College Level Math portion of the Accuplacer; OR SAT I Math/New SAT Math score of 550/570 or higher; OR ACT Math score of 22 or higher; OR CCC MAT*136 or 137, or equivalent or higher, **with a grade of C or higher**, completed prior to application deadline of February 1, 2018.
- Computer literacy: A passing score on a computer proficiency test (taken at your nursing college of first choice), or completion of CCC CSA*105, CSA* 106 or CSC*101 or equivalent, with a grade of **C or higher**, completed prior to application deadline of February 1, 2018. *CSC* 101 is the computer course offered at MxCC.*
- English - Connecticut Community College ENG*101: English Composition, or equivalent, with a grade of **C or higher**, completed prior to application deadline of February 1, 2018.
- Connecticut Community College BIO*211: Anatomy and Physiology I, or equivalent, with a grade of **C+ or higher**, completed within five years prior+ to application deadline of February 1, 2018. *Note: BIO*121 and either CHE*111 OR CHE* 121 are prerequisites for MxCC BIO*211.*
- Connecticut Community College BIO*212: Anatomy and Physiology II, or equivalent, with a grade of **C+ or higher**, completed within five years prior+ to application deadline of February 1, 2018 **OR: BIO*212 may also be completed during, but no later, than the spring semester of the application year. For this year, it could be taken in spring of 2018.**
- **2.7 Nursing GPA-** based only on the college courses with grades that meet the nursing admission and nursing program curriculum requirements. This GPA calculation is specific to CT-CCNP and may differ from your college GPA.
- **TEAS score.** An adjusted individual total score of **53.3% or higher is required** and must be submitted by February 1, 2018. TEAS information is found on the back of this page, more details are in the CT-CCNP Nursing Information Packet.

+ For this application cycle, *five years prior*, is defined as having completed the course between December 2012 and February 1, 2018.

Additional Courses required for the CT-CCNP Program

The courses below are not admission requirements. They are the additional courses required to graduate from a CT-CCNP program. These courses may be completed prior to the February 1, 2018 application date or while enrolled in a nursing program. Since nursing programs are academically demanding, students are encouraged to complete as many of these courses as possible before starting a nursing program. All courses below must be completed with a **grade of C or higher**.

BIO*235	Microbiology	ENG*102	Literature and Composition
PSY*111	General Psychology I	PSY*201	Life Span Development
SOC*101	Principles of Sociology	Humanities or Fine Arts elective **	

**Click on <http://www.ct.edu/files/pdfs/nursing-electives.pdf> for a list of acceptable courses by college.

TEAS Standardized Admission Test for Nursing

- **NEW!** Scores will be accepted from the TEAS V and the newer version, ATI TEAS.
- Applicants must obtain an adjusted individual total score of **53.3% or higher** on the **TEAS** test.
- An applicant may retake the TEAS as many times as desired. The CT-CCNP will use the applicant's highest TEAS score when determining eligibility. Test scores will be valid from November 1, 2013 - February 1, 2018.
- The TEAS Study Manual and practice tests are highly recommended and available through www.atitesting.com.
- MxCC's Career Development & Counseling Center has copies of the TEAS study manual for your review.
- **NEW!** For registration information, go to www.atitesting.com. Applicants must set up an account with ATI using your Banner ID number for your student ID. Then, select a CT-CCNP college as your institution of choice in order to register for the TEAS. (*Do NOT list MxCC as your college. You must choose a CT-CCNP college or you will not be able to register for the test*) **Applicants must log into their ATI account in order to see available testing dates within the community college system.**
- See the Nursing Information Packet at <http://www.ct.edu/academics/nursing> for additional TEAS information.

Application and selection process – The application period is November 1- February 1 of each year. The application process must be followed exactly or candidates will not be considered for the program. Please refer to the Nursing Information Packet for details. The CT-CCNP is a selective admission program. Selective admission programs are highly competitive programs that cannot accept everyone who applies. All eligible applicants will first be ranked by the CT-CCNP (formula below). For details of this process visit the CT-CCNP web site at: <http://www.ct.edu/academics/nursing>.

Ranking Formula – Applicants who meet **all** application and admissions requirements are assigned a rank number. Rank numbers are computed by the formula below. No other information is used for ranking applicants.

25% = TEAS score

25% = Academic grade for BIO*211 (Anatomy & Physiology I)

50% = Nursing GPA

Questions/Advising at Middlesex Community College

Middlesex Community College students may contact one of the following nursing advisors:

- Emily Canto, Counselor, Career Dev. & Counseling Ctr., Founders Hall, Room 121, 860-343-5826
- Judy Wallace, Associate Professor of Biology/Anatomy and Physiology, Wheaton Hall, Room 209, 860-343-5780

Information Sessions and Online Questions

- Students are strongly encouraged to attend a Nursing information session. Dates are listed on the CT-CCNP web site. You may also fill out an online inquiry form or email ctccnpadmissions@ct.edu for answers to your questions.
