

## Transfer Guidelines for Middlesex Students Central Connecticut State University

**Transfer Student Admissions** - To be considered for transfer admissions, students must have completed 12 college level credits and received a cumulative college grade point average (GPA) of 2.00 or higher. Students with less than 12 credits must apply as high school students.

Applications are accepted for the fall and spring semesters. It is strongly recommended that you apply as early as possible for each semester; **before or by January 1** for the fall semester and from **June – October** for the spring semester. Students may still apply after these dates, however, your admissions decision, course selection, housing options and financial aid package may not be as favorable. Final dates for applications are June 1 for fall and December 1 for spring. However, these dates may be extended by CCSU. Always check their admissions web site for details.

**Transfer Credit Evaluation**- A grade of "C -" or better is required for transfer. Courses with grades of D+, D and D- are transferrable only if the student has earned an Associate's Degree from a Connecticut State Community College or Charter Oak State College. Regardless of the number of credits transferred, a student must complete a minimum of **30 credits at CCSU** in order to earn CCSU's bachelor's degree. To see how MxCC courses transfer to CCSU, visit the MxCC transfer planning page at: [https://webapps.ccsu.edu/CTAB/CCSU\\_TransCourses.aspx](https://webapps.ccsu.edu/CTAB/CCSU_TransCourses.aspx) . *Note: This site is a guide to transfer and not an official transcript evaluation. Contact Doug Benoit, CCSU Admissions, at 860-832-2286 with transfer questions.*

**Transfer Contacts** - The Career Development & Counseling Center (CDCC) works closely with CCSU to ensure successful transfer for Middlesex students. Please use this office and/or your advisor as a resource when making career and course selection decisions.

**Financial Aid** - You must complete the FAFSA and other required forms by the priority dates. The fall semester date is **March 1**, which means you should complete the FAFSA in February. If you apply later, awards will be subject to remaining available funds. See the CCSU web site at: <http://www.ccsu.edu/FinAid/default.htm>.

### CCSU General Education Requirements

The following information serves as a *guide* to using Middlesex courses to complete the General Education requirements at CCSU. All credit bearing Middlesex courses transfer to CCSU; however, there are *specific* courses required for some majors and the list below does *not* address these requirements. Students may use the CCSU web site to obtain this information. You may also work with a counselor in the CDCC or your advisor with questions regarding appropriate transfer courses. Requirements are subject to change as course changes are made by CCSU.

### STUDY AREAS

**Study Area I** - Arts and Humanities (9 credits) -- Courses in **literature, philosophy, and fine arts** are required.
