Accessing the Presentation Content

- This presentation was conducted using an IMU as the delivery format.

- Since an IMU is Web-based and will change and be revised, access to some of the elements may sometimes be restricted or will require a password.

- I am pleased to provide access to this presentation IMU until the end of March 2014.

- After March 31st, a password may be required to enter the IMU. You may request the password by contacting me at one of the email addresses listed .

Content Note
Access link available on the next slide.

*Due to shared authorship and content revisions, links to the following IMUs are not available from the presentation IMU:
- o **MacroDiscoveries IMU**
- o **Skype Document Packet IMU**

*However, I have retained linked access to:
- o **Internet Cookies IMU**
- o **Managerial Communications Chapter IMU**
