Students who have attended or are currently attending one of the twelve Connecticut Community Colleges must submit community college transcripts from all previously attended Connecticut Community Colleges. No deadline extensions will be given to applicants who fail to submit required transcripts from the CT Community College System by the application deadline.

All transcripts must be final transcripts. Students taking courses in the fall or winter semester prior to applying must submit transcripts that include their fall & winter grades. All transcripts (including those with course withdrawals, course failures, and remedial/developmental courses) must be submitted regardless of the age of the transcripts and applicability to the Radiologic Technology Program.
