INFORMATION FOR NON-CREDIT STUDENTS 11

WHOOPS!

We cancelled your class because we didn’t know you planned on attending.
Register Early!

Are you unemployed? You may be eligible for funding for several training programs if you meet certain income requirements. Contact CTWorks in Meriden at 203-238-3688 ASAP.
**Certified Nurse Aide (CNA) – Accelerated Summer Classes**

Certified Nurse Aides play a vital role in healthcare delivery by providing routine patient care. Working under the supervision of a nurse, CNAs report vital patient information including temperatures, pulses, and blood pressures. CNAs have direct patient contact assisting with daily activities, such as, bathing, walking, and eating.

The Certified Nurse Aide training program consists of lectures, skills development, and clinical training. Learn the proper way to perform nursing procedures essential to meet the needs of patients under your care.

This program is approved by the State Department of Public Health. Note: Convicted felons may have difficulty finding employment in the healthcare industry.

*Students who complete the CNA program are eligible to receive college credit through Charter Oak State College!!*

**Prerequisites:**
1. High-school diploma or GED
2. English language competency. An ESL evaluation is strongly recommended. To schedule your evaluation please call the Academic Success Center at 860-343-5770 and ask for an appointment to take the CNA ESL test. There is no charge.
3. Health Form signed by your physician including immunization information, PPD test for Tuberculosis and seasonal flu vaccine,
4. Must be at least 18 years of age with valid identification.
5. Artificial nails are not permitted.
6. A criminal background check may be required. Students who have a record of felonies or multiple misdemeanors may be denied access to clinical training sites.

**Supplies:**
1. Navy blue nursing uniform or scrubs and white shoes
2. A watch with a sweep second hand
3. Gait Belt (available in the college bookstore)

**Cost:**
$1,299 (includes text, State of CT Certification exam fee, and CT Nurse Aide Registry application fee)

This program is eligible for WIOA funding – contact CT Works 203-238-3688 early to inquire.

Payment Plan available.

Patient Care Technician Certificate - Offered Fall 2016

The Patient Care Technician (PCT) Certificate program is an exciting opportunity for Certified Nurse Aides to advance their skills, earn a better salary, and have more job options in a changing work environment. PCTs are valued members of many health care teams. They work in hospitals, rehabilitation settings, physician offices, clinics, and long-term care facilities. Upon completion of this program, students are eligible to sit for the National Healthcareer Association Certified Patient Care Technician Exam. This program does not prepare students to become certified phlebotomy technicians or certified EKG technicians. Prerequisites: 1) Current CNA required, 2) High-school diploma or GED 3) English language competency. Note: Convicted felons may have difficulty finding employment in the healthcare field. Students who have a criminal record are denied access to clinical internship sites. This program is eligible for WIOA funds – contact CT Works 203-238-3688 early to inquire. Payment Plan available.

The following 7 courses are included in the PCT program:

1) Advanced Nurse Aide $399
2) Phlebotomy Skills for the PCT 399
3) ECG and Pulse Oximetry 249
4) Computer Fundamentals (optional) 199
5) Customer Service & Communication in Healthcare 49
6) CPR or BLS 90
7) Hospital Based Clinical Experience (optional) 699

Total = $2,084 + textbooks

Heartsaver Adult/Child CPR Certification

Heartsaver Adult/Child Cardiopulmonary Resuscitation (CPR) is taught with the use of barrier devices. The relief of choking in adults and children and use of the Automated External Defibrillator are covered. This is a great course for parents, coaches and teachers. Successful completion of this course results in a 2-year American Heart Association certification.

Basic Life Support (BLS) for Health Care Providers

A fast-paced BLS course for healthcare providers who must have a credential documenting successful completion of CPR. Learn how to recognize life-threatening emergencies, perform CPR, manage foreign body airway obstructions, use bag-valve-masks (BVM’s), and operate an automated external defibrillator (AED). Successful completion of the BLS course results in a 2-year American Heart Association certification. Class is limited to 20 students. Note: This is a required course for all pre-nursing students.

NEW!!! Emergency Medical Technician (EMT)

The Emergency Medical Technician (EMT) program is designed for anyone who is interested in learning more about the emergency response system and in caring for patients in the back of an ambulance en route to the hospital. Students will gain the basic knowledge and skills necessary to provide patient care and transportation to sick and injured patients. Topics covered in this course include: patient assessment, cardiac arrest management, airway management, patient immobilization, diabetic emergencies, strokes and seizures. Students meet for lectures and skills training on campus and also complete a mandatory observation at Middlesex Hospital in the Emergency Department. This course is offered in cooperation with Middlesex Hospital, Office of Emergency Medical Services and the CT Department of Public Health. The curriculum prepares students to take the exams to become nationally registered and State of Connecticut certified at the basic Emergency Medical Technician level. This program is open to students age 16 and up.

Price: $999

Check our website at http://mxcc.edu/ce/healthcare/emt/ for the next schedule.
NEW!!! 

**Certified Phlebotomy Technician**

Are you seeking a new career in the high demand field of healthcare? Do you enjoy working with people and work well under pressure? A career as a phlebotomy technician may be right for you. Phlebotomy technicians are valuable members of the healthcare team who collect and prepare lab specimens for analysis. In this course you will learn about phlebotomy procedures and practice blood draw techniques. This is a 120 hour program that includes classroom learning and simulation labs that cover medical terminology, anatomy and physiology, venipuncture, specimen collection procedures, safety and universal precautions, common laboratory tests with clinical significance to body systems and disease processes, and laboratory equipment. Following the program you will complete an internship at Middlesex Hospital Outpatient Laboratory. Weekday internships will be scheduled by the instructor. Scheduling requests can be made, but are not guaranteed. Students must have transportation to clinical sites. This program has been recognized by American Medical Technologists, a premier national certification agency. Upon completion of this program students are eligible for National Certification through American Medical Technologists.

**Prerequisites:**
1) Must be 18 years old.
2) High school diploma or GED.
3) Health form complete with immunizations and 2 step TST.
4) Personal medical insurance.
5) Clean criminal background. A criminal background check may be performed. Students who have a criminal record are denied access to clinical internship sites.

**Supplies:**
1) Navy blue scrubs
2) A textbook is required for this course and can be purchased for approximately $65 through our college bookstore. Please bring the CRN and course title to the college bookstore when purchasing.

**Human Services Assistant Certificate**

Are you looking for a fulfilling career helping others? Human Service workers support individuals with disabilities in leading self-directed lives. Develop skills, values and knowledge to effectively assist those who utilize social services. Basic knowledge about certain populations and problems encountered in human service work, ethical guidelines and essential helping skills are covered. Learn how to interact with other members of a multidisciplinary team, including professionals with advanced degrees. Upon completion, students will be prepared for entry-level positions as Residential Living Assistants, Direct Behavioral Support staff and mentors. A textbook is required for this course and can be purchased for approximately $170 through our college bookstore. Please bring the CRN and course title to the college bookstore when purchasing. **Prerequisite:** high school diploma or GED. Eligible for WIOA funding – contact CT Works at 203-238-3688.

**Students who complete the Human Services Assistant program are eligible to receive college credit through Charter Oak State College!!**

**Medical Billing & Coding Certificate - Offered Fall 2016**

The Medical Billing & Coding Certificate Program is designed for those who want to begin medical billing and coding careers or prepare for a nationally-recognized certification exam. The training in this program will also provide you with the necessary skills required by employers seeking a Medical Billing or Medical Coder Specialist. Medical billers are responsible for submitting claims to insurance companies, Medicare, Medicaid, and in some instances, patients themselves on behalf of their employers or clients. Professional medical coders transform verbal descriptions of diseases, injuries, and procedures into numeric or alphanumeric codes. The coding of health-related data permits access to medical records by diagnoses and procedures for use in clinical care, research, and education. Students who successfully complete this program will be qualified to sit for the American Academy of Professional Coders (AAPC) – Certified Professional Coder Exam (CPC). For more information on the national certification exams or student membership with the AAPC or AHIMA, please visit either: www.aapc.com or www.ahima.org. This program is eligible for WIOA funding – contact CT Works at 203-238-3688 early to inquire. Payment Plan available.

**Students who pass the CPC exam are eligible to receive college credit through Charter Oak State College!!**

The following courses are required to earn this certificate:

1) Medical Insurance – offered Fall 2016 $699
2) Medical Terminology and Anatomy for Coders – offered Fall 2016 699
3) Computer Fundamentals (Optional) 199
4) Computers in the Medical Office – offered Fall 2016 699
5) Medical Coding - prerequisites required 999

Total = $3,295 + textbooks
Pharmacy Technician Certificate Program - Offered Fall 2016

This program is offered in partnership with the Connecticut Pharmacists Association.

This comprehensive, 60-hour course prepares you for an entry-level position in a community, hospital or long-term care setting. Topics include medical terminology specific to the pharmacy; reading and interpreting prescriptions; and defining drugs by generic and brand names. Learn dosage calculation, I.V. flow rates, drug compounding, and dose conversion. Develop your knowledge of prescription dispensing, inventory control, billing, and insurance reimbursement. This program is an excellent review for the Pharmacy Technician Certification Board (PTCB) national certification exam (not included in this course fee).

Prerequisite: Students must take a math Basic Skills Assessment prior to enrollment. To schedule an appointment call the Academic Success Center at 860-343-5770. This requirement is waived for any students who submit SAT or ACT scores, or a transcript showing enrollment in a college level math course. Proficiency in English and proof of high school diploma or GED are also required. Note: Individuals convicted of a felony are not permitted to sit for the exam.

$1049 (textbooks included) This program is eligible for WIOA funds – contact CT Works 203-238-3688 to inquire. Payment Plan available.

Pharmacy Technician Certification Exam Information
The Pharmacy Technician Certification Board (PTCB) offers the Pharmacy Technician Certification Exam. For more information please visit www.ptcb.org.

Students who complete the Pharmacy Technician program are eligible to receive college credit through Charter Oak State College!!

Veterinary Assistant Certificate – Offered Fall 2016

Do you love working with animals? Are you looking for employment in the animal care industry? The Veterinary Assistant Certificate Program is a great way to begin your career in the animal field. The Introduction to Veterinary Assisting course provides students with the opportunity to determine if this is the right career path for them. Following the Introduction course, this program dives deeper into the animal care field by focusing on the care of small animals, large animals and exotic pets in the veterinary profession. This 20 week program, consisting of Veterinary Assisting I and II classes, involves 4 hours of weekly lectures and 4 hours of weekly clinical experience where students will complete routine tasks and specialized procedures done in the veterinary hospital. This program follows the National Association of Veterinary Technicians guidelines for Veterinary Assistant Programs and can be a stepping stone to a Veterinary Technician Certification Program or entry level position at a veterinary facility. MxCC partners with the Connecticut Valley Veterinary Associates to offer this program.

Prerequisites: 1) English language competency 2) grey scrub top and pants. 3) Must be physically fit, capable of kneeling to work with larger dogs, and able to lift 50 pounds. Health form required. 4) Students must provide their own transportation to clinical sites.

Eligible for WIOA funding – contact CT Works at 203-238-3688 early to inquire.
Certificate Program: 86 hours theory + 72 hours clinical = 158 program hours. Earn 15.8 C.E.U.s.

** Note: Program certificate will be awarded upon completion of all requirements of Veterinary Assistant I and Veterinary Assistant II. Students must register for both Veterinary Assistant I and Veterinary Assistant II. Payment Plan available.

The following courses are required to earn this certificate:
1) Introduction to VeterinaryAssisting $49
2) Veterinary Assistant I with Clinical 899
3) Veterinary Assistant II with Clinical 899

Total = $1,847 + textbooks

Introduction to Veterinary Assisting for High School Students

This course is open to students ages 14 – 17 who wish to explore veterinary careers. Learn about exciting careers in veterinary medicine and find out what Veterinary Assistants and Veterinary Technicians do on the job. Get a behind the scenes tour of a veterinary hospital and learn the basics of animal behavior. Employment opportunities for Veterinary Assistants and Veterinary Technicians will be covered.

Personal Trainer Certificate

Whether you are planning a career move or for your own personal knowledge, get all the information you need to become a Certified Personal Trainer. In the current marketplace, there is high demand for personal trainers. If you are interested in pursuing a career in fitness, a personal-training education can be an excellent addition to your resume. This challenging course is taught over an 5-week period for better retention and skill competency. The National Exam is held on the 6th week. This 60-hour program includes 15 hours of lecture/presentations, 15 hours of hands-on practical training to prepare you to actually work with clients, and a 30-hour internship. You will be required to complete a separate class in CPR/AED. (The 2½-hour “Heartsaver Adult/Child CPR Certification” course listed in this catalog fulfills this requirement.) A textbook is required for this course and can be purchased for approximately $100 through our college bookstore. Pick up your book now and get started reading before the first class! Please bring the CRN and course title to the college bookstore when purchasing. For more information call WITS (World Instructor Training Schools) at 1-888-330-9487. Students must provide their own transportation to Meriden YMCA. This program is eligible for WIOA funding – contact CT Works at 203-238-3688 early to inquire.

**NEW!!! Student Success Series**

Are you ready to go back to school, but concerned about college level work? You’re not alone. Thousands of students are heading to colleges and universities to continue their education, learn new skills and increase their earning potential. At MxCC we are here to help you be successful. These new workshops will prepare you for college level course work and pave the way to help you reach your goals.

**College and Career Success**

This noncredit course is designed to enhance students’ college and career readiness. The course provides an extended orientation to college, teaches skill sets to support college-level courses, and introduces college majors and careers. Some topics included are learning styles, study strategies, note taking, and test preparation.

**NEW!!! Equine Husbandry**

Do you ride horses and wish you could be involved more in their care? Do you own a horse and have questions about what’s best for your animal? Or are you always wanted to work with horses and didn’t know where to start? If you answered “yes” to any of these questions, this course is for you. Fundamentals of horse care, equine behavior and training, and safe practice will be covered. Gain in-depth knowledge about saddle styles and fitting, equine wellness and equine veterinary emergencies. Students will participate in 4 weeks of classroom instruction and 2 weeks of hands-on instruction at a local stable. No previous horse experience is required in order to register for this course. This course is open to students age 14 and up.

**Coming Soon! Certified SAT Prep Classes.**
Please check our website www.mxcc.edu/ceinfo for the latest details.
Over 350 2-month courses offered every month.
Most courses are $130.
4 Start Dates: May 18, June 15, July 13, and August 17.
Go directly to: www.ed2go.com/mxcc
MxCC partners with Education ToGo, one of the foremost online course providers in the world. All courses are instructor-facilitated and taught by many nationally-known authors and professionals. Basic requirements for these online courses include (1) modern computer; (2) modern Windows, (3) Internet access with Microsoft Internet Explorer or Mozilla Firefox Web browser, and (4) Adobe Flash and PDF plug-ins (free downloads). Most computer courses also require the specific version of any software that is listed under “Requirements” in the online course description. Example: For Word 2010, you need that software or Microsoft Office 2010. Note: Mac users – check “Requirements” to see if the course is compatible before signing up. Generally, this only applies to computer courses.

Getting Started – 5 Easy Steps!

1. Visit our Online Instruction Center at ed2go.com/mxcc
2. Choose your course. On the left side, click on a general heading for a list or in the Search field at the top, enter a keyword like “Quickbooks” or “Grant Writing.” Once you find a course, click on its course title for more information – the Syllabus (course outline), Instructor Bio, Requirements (software, etc.), and Student Reviews. READ THE “REQUIREMENTS.” Check computer compatibility.
3. Once you’ve chosen a course, click “Enroll Now” and choose your “Start Date.” Then follow the step-by-step directions. Create your account or sign in as a returning student. You’ll receive email verification.
4. On the Payment page, click “Purchase Later.” This will take you to a page of payment options. You must pay directly through our office, but not online. We can accept your payment by phone, mail, fax, or walk-in. Your payment must be received before your course start date.
5. When your course starts, return to the Online Instruction Center and click the Classroom link. To begin your studies, simply log in with your selected username and password.

Areas of Online Courses

Computers, Computer Application, and Technology

FREQUENTLY ASKED QUESTIONS ABOUT CONTINUING EDUCATION COURSES...

1. Do I need to submit a $20 application fee for any non-credit course?
   No, there are no application fees for non-credit courses.

2. Do I need to submit proof of immunization (MMR) for these courses?
   No, MMR (mumps, measles, rubella) documents are not required. However, students attending clinical classes must submit a non-credit health form.

3. Do I need to submit high-school or college transcripts for these courses?
   No, transcripts are not required. You are required to be a high school graduate to take many of the Allied Health courses. (Please check the course descriptions for details.)

4. Can I register online for non-credit courses?
   Yes, students can register online for continuing education courses that do not require a clinical rotation. Please visit our website, www.mxcc.edu/ce and look for online registration information.

5. Are refunds available?
   Yes, you can receive a full tuition refund when you withdraw from your course at least 3 working days before the course start date. Once the course has started, refunds are not available.

6. Do you offer payment plans?
   Yes, payment plans are available for most of our non-credit programs.

7. What happens if my course gets cancelled?
   Students will be notified by telephone approximately 2 – 3 business days prior to the scheduled start date. Refund checks will be mailed to the current address on file.

8. Can I receive C.E.U.s (Continuing Education Units) for my course?
   Yes, C.E.U. requests must be made in writing to the Continuing Education Office. They are given on the basis of 1 seat hour = .1 C.E.U. or 10 hours = 1 C.E.U. To receive C.E.U.s, 100% attendance is required in a classroom course. No partial C.E.U.s for a course will be awarded.

9. Is there an age requirement for courses?
   Age requirements vary by course. See course description for details.

Confirmation Letters: Students should receive a confirmation letter of payment and a course schedule.

Refunds: Refund requests must be made to the Continuing Education Office in writing. No refunds will be granted for requests less than 3 working days before a course start date. Refunds will be issued approximately a month after request or course cancellation.

Course Cancellations By College: The College reserves the right to cancel a course due to insufficient enrollments or emergency.
