

VA Educational Benefits Student Registration & Advising Procedures Checklist

All students using VA educational assistance applying to MxCC must follow the procedures below:

- Fill out MxCC student application
- Submit High School transcript/copy of H.S. Diploma
- Proof of two doses of MMRV immunizations
- Provide official transcripts from any previous attended school (transfer students)
- A copy of the DD214 form (Member-4 copy)

In addition, students planning to use VA educational benefit programs that require certification to VA, need additional documentation to be submitted to the MxCC Veteran's School Certifying Official, Cynthia Valencia or Joanne Faust located at Founders Hall, room 153. The documents needed will vary depending on the VA educational benefit the student has elected to use. It is recommended that students apply for VA education benefits at <https://www.ebenefits.va.gov/ebenefits/homepage> at least six to eight weeks prior the start of classes, as this process takes about 30 days to process. See below for a detailed list of required documents needed for enrollment at MxCC using VA educational benefits.
