191 Pratt Street  
Meriden, CT 06450

#### Middlesex Community College at Platt High School

220 Coe Ave  
Meriden, CT 06451

### Course Descriptions

#### EDUC 1002, Fast-Track Math Workshop (0 credits)

This noncredit workshop is designed to help students refresh their skills in arithmetic and elementary algebra concepts. The workshop is targeted to benefit students placing at the intensive levels. At the end of the workshop, students may retake the placement test to see if they can progress to a course that is College Level or College Level with Embedded Support.

#### EDUC 1003, Reading-Writing Workshop (0 credits)

This non-credit, fast-track workshop is designed to help students refresh their skills in essay writing, grammar, and reading comprehension. The workshop will be particularly beneficial for students placing at the intensive level but are open to all students. At the end of the workshop, students may retake a placement test to see if they can progress to College Level or College Level with Embedded Support.

#### COL101, College and Career Success (3 credits)

This course prepares students for a successful college and career experience. Students will explore and navigate the college's resources, develop college success strategies, cultivate critical and creative thinking, and participate in major and career exploration. Students will learn a variety of skills and strategies to support their studies across the curriculum. Topics include reading and study strategies, note taking, test preparation, interpersonal and oral communication, and information literacy.
