

# Fall 2018 Enrollment Guide

*Updated 6/7/18*

## Welcome!

Congratulations on your decision to consider Middlesex Community College to further your education! At Middlesex Community College, you'll get personal attention from dedicated professors in small class settings; guidance from experienced counselors and advisors who will help you clearly define and achieve your goals; programs that will help you launch or build your career in some of today's fastest-growing fields; and, affordable tuition that saves thousands of dollars over the average cost of most other two and four-year colleges.

Middlesex offers access to cutting-edge technology and state-of-the-art educational facilities in a suburban setting located in the scenic heart of the Connecticut River Valley. Prepare for a career in broadcasting or filmmaking by working in the Center for New Media's high-definition digital studios. Get an edge on your competition while learning in our computer technology, engineering, manufacturing, and business laboratories. Advance your interest in health careers or research in the Center for Health & Life Sciences. Cater to your curiosity as you study in the bright and modern Jean Burr Smith Library facility. Take afternoon and evening classes closer to home in our new location in Meriden -- the recently renovated Platt High School.

We have everything you need to reach your greatest potential: outstanding faculty, small classes, support services, academic advising, career placement assistance, transfer counseling, and a variety of student activities. Come see what Middlesex Community College has for you!

## Mission & Vision

In all it does, Middlesex Community College strives to be the college of its community. By providing high quality, affordable, and accessible education to a diverse population, the College enhances the strengths of

individuals through degree, certificate, and lifelong learning programs that lead to university transfer, career opportunities, and an enriched awareness of our shared responsibilities as global citizens.

## Policy of Non-Discrimination

Middlesex Community College does not discriminate on the basis of race, color, religious creed, age, gender, gender identity or expression, national origin, marital status, ancestry, present or past history of mental disorder, learning disability or physical disability, political belief, veteran status, sexual orientation, genetic information or criminal record. # 3. Submit SAT/ACT/GED Scores or Take the Accuplacer Test

*MxCC requires proof of college readiness in English and mathematics prior to enrolling in an academic program or registering for most courses. MxCC provides required placement testing on campus at no cost. Learn more at [mxcc.edu/bsa](http://mxcc.edu/bsa).*

To Take the Accuplacer Placement Test, Follow These Easy Steps:

Upon acceptance, after receiving your Banner ID, you should:

1. Go to [www.mxcc.edu/bsa](http://www.mxcc.edu/bsa) and read the Frequently Asked Questions on the “Accuplacer FAQ” page to familiarize yourself with the entire process.
2. **Review:** Take the sample tests and use the study sites on the “Test Preparation” page to ensure you do your best..
3. **Schedule:** Visit <http://mxcc.edu/accuplacer>, review at the dates and locations of testing, select one that works for you, and make an appointment.
4. **Score:** Come in well rested and prepared to do your best on assessment day!

## Who Must Take the Accuplacer Placement Test

MxCC requires skill assessments in English and mathematics before students enroll in math, reading, or writing courses, courses with any math or English prerequisites, or enroll in an academic program. Students with certain SAT/ACT/GED scores may be exempt from taking the placement test. To learn what SAT/ACT/GED scores are needed, visit [mxcc.edu/bsa](http://mxcc.edu/bsa)

## Schedule Your Test

Placement Testing is conducted by the Academic Success Center. Testing is available throughout the summer at the Middletown Campus. For more information or to make an appointment, visit [www.mxcc.edu/accuplacer](http://www.mxcc.edu/accuplacer).

## 4. Meet With an Advisor & Register

*Before registering for courses, all MxCC students are expected to meet with an advisor. This ensures that you will take the correct courses to meet your degree requirements. See page 10 for more information about how to prepare to meet with your advisor.*

  - Lower case letters (a-z)
  - Digits (0-9)
  - Special characters (!@#\$%^)
- Must not be the same as your previous password
- Cannot contain any part of your username

### To Reset Your Password:

- Go to [bor.ct.edu/netid/password.aspx](https://bor.ct.edu/netid/password.aspx)
- If the web reset utility is unsuccessful, contact the Office of Enrollment Services at 860-343-5719.

## Prepare to meet with An Advisor

When you enroll in college, we create a partnership to help you achieve your educational and career goals. This guide prompts you to be prepared to understand what the demands of college will be and what to expect as you make your transition to college. Quality academic advising allows you to accomplish those goals in a timely manner while being in control of your own educational endeavors. Taking time to consider and plan your educational experience is essential to getting off to a good start. Your readiness is critical to having a successful experience.

### Please consider the following prior to meeting with an advisor:

#### 1. Your reasons for attending college and your time availability.

The New Student Orientation site is a good place to start for familiarizing yourself with the college, its academic programs and its resources. It has a wealth of content and checklists to guide you.

[www.mxcc.edu/nso](http://www.mxcc.edu/nso)

#### 2. How you are financing your education.

Students receiving financial aid are expected to review the Financial Aid webpage:

[www.mxcc.edu/financial-aid](http://www.mxcc.edu/financial-aid) to understand the types of financial aid and how the process works including understanding the Satisfactory Academic Progress guidelines for maintaining eligibility to receive aid awards. The website also houses comprehensive financial and scholarship information which is useful for all students.

#### 3. Your comfort level and willingness to utilize computer technology.

It is the expectation of the college that you will use computer technology to submit written assignments and learn the college's online learning platforms and various course management software packages.

We encourage students to take the Smarter Measure Assessment: it is a self-diagnostic tool that assesses student's likelihood for succeeding in learning online, as well as, to use online tools in onground courses. [www.mxcc.edu/distance/take-a-smartermeasure-test/](http://www.mxcc.edu/distance/take-a-smartermeasure-test/)

#### 4. If you are transferring or have earned Early College Academy (ECA), College Career Pathways (CCP), UConn Early College Experience, or Advanced Placement credits.

To assure quality advising, we need to review the OFFICIAL transcript from your previously attended institution. Your transcript should be forwarded to the Office of Enrollment Services in advance of your advising meeting for evaluation of transferable credits. This includes any courses taken while in high school as part of the UConn Early College Experience, MxCC Early College Academy, College Career Pathways, or Community College High School Partnership programs.

During your conference with an advisor, we will work with you to identify and select courses based on your level of proficiency in reading, writing and math and those which are required by your chosen educational pathway. We will ask questions that facilitate selection of appropriate courses. The advising process should be a conversation. Ask questions to clarify information and take notes. Faculty and staff advisors are here to assist you in the decision making process; you ultimately are responsible for your education. The name and contact information of your assigned Primary Advisor will be available to you via MyCommNet within a few weeks. If you are enrolled in a degree program, the Program Coordinator will be your Primary Advisor.

### Questions you should be prepared to discuss and answer are:

- What are your reasons for attending college?
- Are you planning to be a part-time (11 credits or fewer) or full-time (12 credits or more) student?
- Are you working? How many hours per week do you plan to work?
- How many hours per week do you devote to other obligations? (such as family, childcare etc.)
- Do you have a sense of a curriculum / program/ major/ career direction? (If not, the college has professional staff who can guide you once classes begin.)
- Have you reviewed the virtual college catalog and schedule of courses to see what courses are interesting and available?
- If you are interested in taking online courses, do you have the necessary computer skills and computer access?
- How long has it been since high school? What kind of student were you in high school?
- What are your academic concerns?

# 5. Pay Tuition & Fees

*Tuition and fees are subject to change. For the most up-to-date information, please visit:*

***[www.ct.edu/admission/tuition](http://www.ct.edu/admission/tuition)***

***All students are required to pay their fees at the time of registration. Fees are non-refundable.***

## Payment Options

1. **Before July 12, 2018:** Students must submit the college service fee, student activity fee, transportation fee and all mandatory usage fees at the time of registration. Tuition must be paid no later than **July 12, 2018**.
2. **On or After July 12, 2018:** Students must pay tuition, college service fee, student activity fee, transportation fee and all mandatory usage fees at the time of registration.
3. **Installment Plan:** Students taking six or more credit hours qualify to take part in the installment payment plan. There is a 10% down-payment, as well as, a \$25 one time non-refundable fee for participation in the plan. For more information, contact the Business Office at 860-343-5729.

### **Failure to pay the tuition or fees by the appropriate date may result in cancellation of registration.**

Students whose registration is canceled for non-payment will need to re-register in-person at the Office of Enrollment Services on a space-available basis when the student is able to pay the tuition and fees.

A \$25 returned check fee will be charged by MxCC to students for any check returned for insufficient funds or stop payments. Your banking institution may also assess a fee.

Payments may be made at the Business Office during regular office hours. Tuition can also be paid by mail or online at <http://my.comnet.edu>. Acceptable payment methods for tuition are cash, check or credit card (Discover Card, MasterCard or Visa).

## Refund Policy for General Fund Courses

- Before registering for classes, students should read the [refund policy](#) established by the Connecticut State Colleges and Universities Board of Regents for Higher Education.
- Definition of a General Fund course: Any credit course offered during the fall and spring semester.
- When registering for courses, students pay a nonrefundable deposit equal to the fees for their courses. If you drop/withdraw from courses, these fees will not be refunded.

- A full refund of 100% of tuition only will be made if the student withdraws from classes by Monday, August 28, 2018. To withdraw from classes the student must notify the Office of Enrollment Services. *Fees are nonrefundable.*
- A 50% refund of tuition only will be made if the student withdraws from classes during August 29, 2018 - Monday, September 11, 2018 period. To withdraw from classes the student must notify the Office of Enrollment Services. *Fees are nonrefundable.*
- For late start classes, a 50% refund of tuition only will be made if the student notifies the Office of Enrollment Services within the first 14 calendar days from the time the class starts. *Fees are nonrefundable.*
- No telephone requests for refunds will be taken.

*\*\*Excess Credits Tuition Charge - An additional flat tuition charge of \$100 per semester shall apply when total registered credits exceed 17 for the semester.*

### Online Course Tuition & College Services Fee

**Payment:** Cash, VISA, Mastercard and/or Discover, check, or money order made payable to MxCC.

These charges are no longer automatically based on the in-state rate. Instead, fees are based on student residency.

**Business Office:** Contact the Business Office for payment terms available. 860-343-5729.

(All tuition and fees are subject to change.)

## Payment of Tuition and Fees (Fall Courses)

Registering prior to July 13, 2017, the minimum payment required at registration is the applicable College Service Fee, Student Activity Fee, Transportation Fee, and mandatory usage fees. The balance of the applicable full tuition is then due July 13, 2017.

Registering after on or after July 13, 2017, the entire amount of tuition and fees is due at the time of registration.

In lieu of full payment at time of registration, acceptable arrangements include:

1. authorization of Financial Aid by the Financial Aid Office;
2. an initial deposit for the Installment Payment Plan, 10% of balance due plus \$25.00 installment plan fee (with four more payments on Jul. 12, Aug. 12, Sept. 12, Oct. 12); or
3. the applicable Tuition Fee Waiver Form (renewed each semester) presented to the cashiers.

Cash, check, VISA, Discover, and MasterCard are accepted forms of payment. An installment "Payment Plan" may be set up online at <https://my.comnet.edu> or with the Business Office, Founders Hall.

Books and supplies are additional costs that must be paid at the time of purchase.

## Financial Obligation Policy

Once fees are paid, you are officially registered and you are responsible for the remainder of the charges.\*

\*1 For an in-writing withdrawal request received on the first day of classes and through the fourteenth calendar day of that semester, you are held responsible for 50% of the total tuition charges. Fees are nonrefundable.

\*2 For a reduction in load which occurs on the first day of classes and through the fourteenth calendar day of that semester, you are held responsible for 50% of the difference of the tuition applicable to the original and revised course schedules. Fees are nonrefundable.

\*3 Beyond the fourteenth calendar day after the first day of classes, the full amount of tuition is due regardless of your enrollment or attendance status.

## CT Veterans Tuition Waivers

General Fund tuition is waived for any eligible veterans who served on active duty in time of war; who have been honorably discharged, and who are Connecticut residents upon admission to the college. Separation papers (DD-214) are required to register. For info call 860-343-5729.

## CT National Guard Waivers

General Fund tuition is waived for students who are members of the Connecticut National Guard. A National Guard Certificate of Eligibility from the Guard member's commander must be submitted in order to qualify.

## Financial Aid Office

# 6. Attend a New Student Orientation

The first step to a successful college career is attendance and active participation in the New Student Orientation program. This comprehensive program provides students with the necessary information for a smooth and successful transition to college life. The program is designed to support incoming students with an opportunity to:

- Meet other new students and current student leaders
- Take a campus tour and become familiar with the campus support resources including myCommnet and Blackboard online platforms
- Get a sense of what MxCC expects of you
- Learn important policies, Bookstore & textbook info, and link to your college assigned email
- Be prepared for your first day and make an easy transition to college life

All new, transfer and readmit (full-time and part-time) students are expected to attend New Student Orientation.

Sign Up to Attend a New Student Orientation at: [www.mxcc.edu/nso](http://www.mxcc.edu/nso). It has a wealth of information and action steps to help you get acquainted with the college.

## Course Cancellations and Changes

MxCC does all it can to ensure that every course offered runs as scheduled. Unfortunately, courses may be cancelled due to insufficient enrollment or circumstances beyond the college's control. Students will be notified by mail, email or phone of course cancellations. Faculty names and room assignments are subject to change due to required adjustments in the schedule.

## Course Changes

Students may add courses or drop courses from their Fall 2017 schedule in person Monday – Friday 9:00 am – 5:00 pm in the Office of Enrollment Services in Founders Hall, room 153. Please call in advance as office may be periodically closed, 860-343-5719.

## Auditing Courses

Students who do not desire to earn course credit may “audit” a course by completing an Audit Request Form at the time of registration in the Office of Enrollment Services. During the fall term, the student has four weeks from the start of the class to submit the completed form to the Office of Enrollment Services. This status will allow students to participate in class activities without being required to meet the examination requirements of the course. Full tuition and fees are charged for audited courses. Students auditing a course may not change to credit status.

## Graduation

November 11, 2018 is the deadline to file your graduation application for fall completion. April 15, 2019 is the deadline date to file your graduation application for spring/summer to ensure that your name will be included in the graduation program. Applications received after this date will still be processed for degree certification. However, your name not appear in the graduation program. Graduation applications/checklists may be obtained in the Office of Enrollment Services or through your advisor.

## Enrollment Verification Request

The National Student Clearinghouse processes all student enrollment verifications. Log on to myCommNet with the 8-digit NetID number and PIN, and follow the prompts. Students will be connected directly to the National Student Clearinghouse enabling them to print their own enrollment verification certificates. Verifications for the Fall 2017 semester will be accessible the week of September 24, 2018.

## Grades/Transcripts

Grades are no longer mailed to students directly. Semester grades will be available online. Students unable to access the Web may request an unofficial transcript in writing; forms are available in the Office of Enrollment Services, room 153, through MyCommnet at <http://my.commnet.edu>.

To print an unofficial transcript or view grades, please follow the directions for registering with the exception of clicking the Student Records tab.

## Student Email Accounts

All Connecticut Community College students now have an official email address (example: name@mail.ct.edu). The “name” in the address is the first letter of your first name, followed by the first four letters of your last name, followed by a four-digit number (e.g., John Smith might have the address jsmit1234@mail.ct.edu). All college-based communications will be sent to this e-mail address. To view your college email account, go to <http://portal.microsoftonline.com> and log in with your NetID and password. For step-by-step directions on accessing your email, visit [mxcc.edu/student-email](http://mxcc.edu/student-email).

## Wondering what Career Major is Right For You?

Determining a career path is a different process for everyone. Some students come to MxCC with clearly defined goals, and ask for help on the best way to obtain them. Others are just starting to explore options and need help determining a profession that may best meet their interests and personality. Others have a general idea but need help fine-tuning their direction. You can explore the many career and majors available at Middlesex and beyond by visiting our Career & Major Exploration web site at <http://mxcc.edu/cdcc/>.

Once you become a student at MxCC, our counselors in the Career Development and Counseling Center can assist you in identifying and meeting your individual career goals. The center also offers academic advising to ensure that students enroll in the most appropriate classes in their chosen field.

## Distance Learning Online/Hybrid Courses

<http://mxcc.edu/distance>

Distance Learning courses at MxCC are fully or partially (Hybrid) online and are designed for highly motivated students taking credit courses with a flexible schedule. Most of our fully online classes (ONLN code in MyCommNet) are asynchronous. Our distance learning online/hybrid courses follow the standard academic calendar of the college and are available online 24 hours a day, 7 days a week. Students do not need to sign on at a specific time. Just like a traditional class, you must follow the course syllabus with information on readings, assignments, projects, exams, etc. An online faculty is assigned to teach each course and help students succeed. Under the guidance of a syllabus, you study on your own with the help of a textbook, instructor's notes, and online resources. You will submit assignments or take exams online at your convenient time and location by a designated timeline. Basic computer literacy, access to the Internet with a broadband connection, and a specific setup of your computer are required. Most importantly, a self-motivated, self-disciplined learner is more likely to succeed in online learning. Information about online distance learning at MxCC can be found at <http://mxcc.edu/distance>.

### BEFORE YOU START

Students who are interested in distance learning courses are strongly recommended to take a self-assessment test, SmarterMeasure (formerly known as READI). The test helps you find out whether you

have the skills to be successful in online learning. To take the test, go to <http://mxcc.edu/distance>, click on “Take a SmarterMeasure Test” link (upper left).

Immediately after registration, Distance Learning (online or hybrid) students MUST visit <http://mxcc.edu/distance>. Click on “What to Do link” (upper left) for step-by-step instruction on what you need to do prior to the beginning of a semester. **First time online students at MxCC are strongly encouraged to attend an on-campus orientation. A tentative schedule is below.** Before coming to an orientation session, students are advised to check the most updated schedule posted <http://mxcc.edu/distance> (click on **Campus Orientation** link on the left panel).
