Dear Student:

On behalf of the entire college community, I am pleased to inform you that you have been accepted into Middlesex Community College for the Fall 2020 semester*. We are delighted that you have chosen Middlesex to further your education and are ready to help you achieve your educational goals.

**Classes begin on August 25, 2020. Please read this entire letter for important registration information and to ensure that you have met all the necessary requirements to start classes.**

Before you can enroll into a degree program, you must submit all the required items listed below via email to mx-EnrollmentServices@mxcc.edu:

- Proof of high school or GED completion. You may submit an official final transcript (preferred) or photocopy of your diploma. Current high school students should wait until after they graduate.
- Submit proof of immunization – two doses of MMRV (Measles, Mumps, Rubella, and Varicella).
- Complete the Accuplacer for English and math. Please visit the Academic Success Center section of our website at www.mxcc.edu/take-accuplacer for more information, exemptions, and the most up-to-date information during COVID-19.
- Submit official college transcripts and/or Advanced Placement Exam scores for transfer credit evaluation (these should be sent electronically).

Please note: non-degree seeking students are not required to submit proof of high school completion or proof of immunization unless enrolling in 12 or more credits. The Accuplacer may be required; please go to our website www.mxcc.edu/take-accuplacer for additional information.

New students must meet with an advisor prior to registration for classes. Fall 2020 registration for new students has begun and virtual appointments are available. Students should reach out to Elizabeth Slupski at eslupski@mxcc.edu. New students can connect with Elizabeth through email or book a WebEx virtual meeting. The most up-to-date information may be found on our website at www.mxcc.edu/registration.

As a student within the Connecticut Community College system, you are automatically issued a Banner/Student ID and a student email address. Your Banner/Student ID is in the subject line of the email containing a link to this letter. Your community college email address will be our primary method of communication with you. It is vital that you set up this college email account, and check it regularly for important information about your college enrollment. Your assigned email address can be found by logging into your myCommNet student account.

You may review our academic programs and other new student information on our web page. If you have any questions, please contact the Office of Enrollment Services at mx-EnrollmentServices@mxcc.edu.

Again, on behalf of the Office of Enrollment Services, faculty, and staff at Middlesex Community College, congratulations on your acceptance. We are pleased to be part of your educational plans and look forward to welcoming you to campus this fall.

Sincerely,

Lauren Katusha
Assistant Director of Admissions

* Acceptance to the College does not constitute acceptance into a specific program. Some programs have a selective admissions process.
