Connecticut State Universities

Transfer Opportunities for Middlesex Students

The Community Colleges of Connecticut have established transfer agreements with the University of Connecticut and the Connecticut State University System (Central, Southern, Eastern, Western) in order to facilitate successful transfer between the college systems. Students who plan to transfer should consult with a counselor in the Career Development & Counseling Center (CDCC), Founders Hall, Room 121, 860-343-5826 or their academic advisor early in their academic career to make the best possible transition to their selected four-year college. Specific information regarding articulation agreements for courses and programs is available on this web site and also housed in the CDCC.

Connecticut State University System

Central, Eastern, Southern and Western State Universities

Transfer Compact Agreement between the Connecticut Community Colleges (CCC) and the Connecticut State Universities (CSU)

The Transfer Compact agreement between Middlesex Community College and the CSU system is available to Middlesex students who have completed less than 15 college credits and who plan to transfer to Central, Eastern, Southern or Western after earning their Associate Degree. Students are guaranteed admission to their designated CSU institution upon completion of the Associate Degree with a 2.0 grade point average. In addition, Middlesex students are advised by both schools throughout their associate-degree program. For more information visit: http://www.ct.edu/academics/transfer.htm. Students interested in enrolling in the Compact should visit the CDCC.

Guaranteed Admission to the Connecticut State University System

The Transfer Compact (above) is a special program for students who have earned 15 or fewer college credits. The compact has some specific benefits, including advising by CSU staff. The Transfer Compact does not change the following admissions agreement with the CSU system. Graduates of an associate degree program within the Connecticut Community College System with a grade point average of 2.0 or higher are guaranteed admission to the Connecticut State University System. Students shall be given the same consideration for admission to specific majors and admitted on the same terms as students who began their studies at the university. In the case of majors for which articulation agreements have been adopted, Community College students preparing for transfer should follow the terms of the articulation agreement regarding course prerequisites, grade point averages, and other requirements stated in the agreement. Graduates of the Community College will be admitted as juniors and will be expected to complete two years of full-time (or equivalent part-time) study at the university to be eligible for the bachelor’s degree.

Technological Studies Pathway Degree Program

The Technological Studies Pathways program allows students to complete an associate of science degree in Technology Studies at Middlesex, and continue on to complete a four year degree in the School of Engineering & Technology at Central Connecticut State University. Middlesex students should contact Hubert Godin, 860-343-5776 for more information.

University of Connecticut

Guaranteed Admission Program

The Guaranteed Admission Program (GAP) is an agreement between the Connecticut Community College System and the University of Connecticut designed for students who plan to earn a bachelor's degree in either Liberal Arts and Sciences or Agriculture and Natural Resources. Advisors from MxCC and UConn meet with GAP students throughout their community college careers, facilitating their eventual transition to the University. To be eligible to apply for the GAP program, students must have earned 16 or fewer college credits and be enrolled in our Liberal Arts and Science degree program. In addition, students must earn the associate degree within five years of enrollment in the GAP and graduate with a 3.0 minimum grade point average. To find out more about GAP, or to sign up for the program, see Gail Russell in the CDCC, Founders Hall, Room 121, 860-343-5826. Web site: http://transfer.uconn.edu/index_gap.html
**Business & Technology Transfer Pathway Program**
The Business & Technology pathway program is for CC students who wish to pursue the Business & Technology (BSBT) baccalaureate degree at UConn. Automatic admission to the BSBT major is guaranteed for MxCC students who complete their Associate’s Degree in Business Administration while meeting specific grade and course requirements. Students interested in this program should contact MxCC’s Business Division or the CDCC early in their academic career. The BSBT degree is offered only at UConn’s regional campuses in West Hartford, Stamford, Waterbury and Torrington. Students who wish to obtain a Business Degree from UConn at the Storrs campus should meet with their advisor or a counselor to choose appropriate transfer courses. Web site: [http://web.uconn.edu/transfer/bsbt.html](http://web.uconn.edu/transfer/bsbt.html)

**Engineering Science Pathway Program**
The Engineering Science Pathway program allows community college students to follow a specific course of study leading to an associate degree, preparing for the ultimate goal of earning a bachelor’s degree in Engineering at the University of Connecticut. Contact Hubert Godin, 860-343-5776 for further information. Web site: [http://www.commnet.edu/services/college_of_tech_eng_path.asp](http://www.commnet.edu/services/college_of_tech_eng_path.asp)
