TEXT: Macionis, John J.,2017 *Society: The Basics*, 14th ed., NJ: Prentice Hall.

COURSE DESCRIPTION: A study of modern society and its social organization, institutions, groups and social roles. Topics of study will include patterns of social interaction, the organization and stratification of groups ranging from families to corporations, and others. Learning objectives include applying scientific methods of analysis and examining social issues from a humanistic perspective.

PARTICIPATION POLICY: You are required to log on weekly and perform tasks and assignments online per the course outline in the syllabus. For weekly discussions, the initial message responding to the questions is due midnight, Saturday of the week. The response to two (2) other students is due midnight, Sunday of the same week. All other assignments are due according to the course outline. Your classmates depend on your timely submissions as part of their learning. Therefore, credit will not be given for late submissions.

CLASS CANCELLATION POLICY: Not applicable

GENERAL OBJECTIVES OF THE COURSE:

Upon completion of the course, students will be able to:

1. Demonstrate familiarity with the major concepts, theoretical perspectives, empirical findings, and historical trends in behavioral sciences.
2. Describe the nature of sociology as a discipline.
3. Use the concepts, language, and major theories of the discipline to account for sociological phenomena.
4. Explain major perspectives of sociology (e.g., structural-functionalism, social conflict, feminism, and symbolic-interaction).
5. Demonstrate knowledge and understanding representing appropriate breadth and depth in selected content areas of sociology.
6. Acquire a working knowledge of basic sociological concepts and principles
7. Be able to evaluate the impact of social class, gender, race/ethnicity/immigrant status, age, and sexual orientation on people's chances in life, their practices, and attitudes

8. Analyze, explain (orally and in writing), and apply key sociological theories, concepts and terms to social issues
