Blackboard - How to Revise the Name or the Questions in a Discussion Forum

The instruction is used to revise name or discussion questions in the description in a Discussion Forum.

1. Navigate to the discussion forum. In this example, click the “Discussions” link in “Course Menu”. If you link a discussion forum elsewhere, you will need to navigate to the page.

2. Go to the action icon next to the forum you would like to make revision and select “Edit”.

3. Revise the forum name or the text in the Description box. Click “Submit”.
