Students with 29 initial transfer credits or less must complete an Intermediate I level language in college.

# Science courses can be chosen in two ways. The first way is to take courses from Natural World I and II above. These courses will transfer whether or not both courses are taken. The second way is to take **TWO** courses from the Middlesex TAP-vetted course list, one of which must be a lab course. If using the TAP-vetted courses, two courses are required, one from the Scientific Reasoning list and one from the Scientific Knowledge list, and, one must be a lab course. (See General Education on the MxCC web site for a list of TAP courses. <http://mxcc.edu/catalog/general-education>)

Certain majors require specific Liberal Education Requirements that may differ from this list. Please refer to the Southern catalog and see your advisor or our office for details.
