

BECOME A PRODUCTION ASSISTANT

Would you like the opportunity to learn the skills needed to work on a motion picture or television set? In Connecticut's growing film industry, production assistants are the most sought-after entry level position in this exciting field.

SUMMER PROGRAM

4 Saturdays, June 2-23
8:30am – 5pm (30 min lunch)
Taught by Greg White,
Directors Guild of America
\$499

Middlesex Community College
Chapman Hall
100 Training Hill Road
Middletown, CT 06548
mxcc.edu/cnm

Skills learned include terminology, production organization and personnel, set etiquette and operations, radio communications, production office procedures, and understanding the various production forms, including call sheets and production reports.

Students will participate in mock-training exercises and learn all the basics about this position. Instruction also includes job search and interview techniques and how to make your resume attractive to producers and production managers.
