***All attempts have been made to ensure there are no conflicts between final class time periods. Faculty: If your class time period is not listed above or in the attached full schedule, see your Program Coordinator or Division Director for more information.***

### **ONLINE COURSES, INTERNSHIPS & PRACTICA**

Final assessments (e.g., exams, projects, portfolios) will be determined by the instructor. Due dates for final assessments must be scheduled during Final Exam Week (**May 13-18**).

### **DEVELOPMENTAL ENGLISH, LAB SCIENCES & LAB-INTENSIVE PROGRAMS**

**Developmental English Courses (ENG\*063 and ENG\*096)** – Final assessments will be scheduled during the last week of class. Individual faculty-student conferences will be scheduled during Exam Week.

**Lab Sciences** – Lab exams/practicals will be scheduled during the last week of class. Lecture exams will be held during Exam Week as indicated on this schedule. See your instructor for details.

**Manufacturing, OD&D, Radiologic Technology, and Veterinary Technology Programs** – Final assessments will be scheduled during Exam Week. See your instructor for details.

### **WHAT IF THE COLLEGE IS CLOSED ON AN EXAM DAY?**

**Monday, May 20** is reserved as an “exam make-up day” in case the college must close on a day when Final Exams are scheduled. This make-up day will be used regardless of when your class normally meets. (Example: if the college must close on Tuesday, all exam periods scheduled for Tuesday will be moved to Saturday at the same time.) This cannot be anticipated in advance! Students and Faculty: Please know that your exam COULD change to this date. Please plan your personal schedule accordingly (work, child care, vacation etc.).

### **FACULTY MUST ENTER FINAL GRADES BY 9:00AM ON Tuesday, May 21, 2019.**

Please inform your students that grades are no longer printed and mailed. Instead, they are available online at <http://my.comnet.edu>.
