3.		
4.		
5.		

If you have attended additional colleges, please list them on a separate sheet of paper and submit along with your application. Students who have attended or are currently attending one of the twelve Connecticut Community Colleges must submit community college transcripts *from all previously attended Connecticut Community Colleges. No deadline extensions will be given to applicants who fail to submit required transcripts from the CT Community College System by the application deadline.*

All transcripts must be final transcripts. Students taking courses in the fall or winter semester prior to applying must submit transcripts that include their fall and winter grades. All transcripts (including those with course withdrawals, course failures, and remedial/developmental courses) must be submitted regardless of the age of the transcripts and applicability to the Veterinary Technology Program. This includes any college credits earned while in high school. A minimum 2.7 GPA is required for all courses that meet the admission and curriculum requirements of the Veterinary Technology Program.

Students who have prior Veterinary Technology coursework that wish to transfer VET credits to the program must meet with the Program Coordinator prior to application submission to review course transfer eligibility.*
