

Authorization to Release Education Records Form for SNAP E&T Program Participants

As required, I will complete my Free Application for Federal Student Aid (FAFSA) every year by the deadline established by the E&T coordinator, with the understating that if my income or unmet need changes, it is possible that I will no longer qualify for tuition assistance through SNAP E&T. I understand that I must achieve Satisfactory Academic Progress (SAP) as defined by financial aid (more information on this definition at www.fafsa.org).

As a participant in the SNAP E&T program I understand that my SNAP coordinator is required to communicate my academic progress and participation on a monthly or as needed basis to the Department of Social Services (DSS). Further I understand that because of the affiliation of SNAP E&T with DSS, DSS must have access to my educational and financial aid information. Therefore, I hereby consent to and authorize the release of pertinent educational and financial information to DSS when and as needed for my participation in the SNAP E&T program.

I have been informed and understand that my education records are protected from disclosure under the Family Educational Rights and Privacy Act, but that I may consent to disclosure and authorize release of my education records to third parties.
