

Middlesex Community College Foundation, Inc.

presents the

Scholarship Awards Ceremony

Wednesday, May 27, 2020
4:00 p.m.

Middlesex Community College
via Facebook Live
Middletown, Connecticut

Scholarship awards are funded by individuals, businesses, clubs, alumni, and corporations through the Middlesex Community College Foundation, Inc. Middlesex Community College and the Middlesex Community College Foundation, Inc., dedicate this scholarship awards ceremony to the donors of these scholarships who make this evening possible, the students who will receive the scholarship awards, and the faculty and staff who have mentored our students.

Catherine L. Dennis Endowed Scholarship

Iris Morales – *Human Services*

Jessenia Sterling – *Social Work Studies*

Gene Haas Foundation Scholarship

Elizabeth Moag – *Manufacturing Machine Technology*

2020 Scholarship Recipients

Alyssa Andrews

Alyssa is a returning student studying Liberal Arts and Sciences. Her goal is to earn a Bachelor's degree from the University of CT and then to become a forensic pathologist. Alyssa is also a Hospital Corpsman with the U.S. Navy.

Eva-LaRue Barber

Eva-LaRue is a returning student studying Liberal Arts and Sciences. Her goal is to pursue a Bachelor's degree to allow her to use theater as a means to create unity and inspire learning.

Alexis Clark

Alexis is a returning student enrolled in the Radiologic Technology program. Her position as a Radiology Tech assistant fueled her passion to further her education.

Louis Beauchamp

Louis is a returning student enrolled in the Political Science Studies program. He was an in-class English tutor and he wishes to pursue a four year degree.

Joshua Budney

Joshua is a returning student enrolled in Liberal Arts and Sciences. Joshua is a member of MxCC's Honor Program and Phi Theta Kappa Honor Society. His goal is to transfer to a four-year institution to study sociology.

Julia Budney

Julie is a returning student enrolled in the Social Work Studies Program. She plans to continue her education and obtain a Bachelor's degree, and perhaps a Doctorate in Social Work.

Sylvana Burno

Sylvana is a returning student enrolled in the Psychology Studies Program. She plans to continue her education and become a therapist.

Gracy Chapman

Gracy is a returning student enrolled in the Psychology Studies Program and is a member of MxCC's Honors Program. She plans to earn a Bachelor's Degree in the future.

Nicole Charest

Nicole is graduating in June 2020 with an Associate Degree in Fine Arts. She will pursue a Bachelor's degree and her career goal is to design props and environments for the entertainment industry.

Autumn Church

Autumn is a returning student enrolled in the Social Work Studies Program. Her goal is to become a licensed social worker and to receive a doctorate in qualitative research.

Alexis Clark

Alexis is a returning student enrolled in the General Studies Program with a goal to enter the Radiologic Technology Program. Her current job as a radiology technician assistant has led her to her future career choice. Alexis has maintained a strong GPA in her time at MxCC.

Shauntazia Davenport

Shauntazia is a returning student enrolled in the Business Administration Program. She plans to attain a Master's Degree in Business and Accounting.

Julia Dietz

Julia is graduating in June 2020 with an Associate degree in Liberal Arts and Sciences. She plans to attend the University of CT and earn a degree in Natural Resources. Julia is a member of the Phi Theta Kappa Honor Society.

Cara Dominello

Cara is graduating in June 2020 with an Associate degree in Fine Arts. She will attend Albertus Magnus College where she will pursue Art Therapy with a minor in Criminal Justice.

Alene Dubrosky

Alene is a returning student enrolled in the Radiologic Technology Program. She looks forward to pursuing her career in the medical field.

Nhan Duong

Nhan is graduating in June 2020 with a double major in Computer Information Technology and Accounting, and is returning to MxCC in the Fall to take additional courses. She plans to participate in an Internship this fall and her goals are to one day own an international business.

Giuseppe Emanuele

Giuseppe is a returning student in the Manufacturing Machine Technology Program. His future career goal is to become an engineer. He is described by one of his professors as a model student.

Quinn Ernst

Quinn is a returning student and is taking a variety of courses prior to declaring a major. He has been on the Dean's list and the subjects that spark his interest are Business, Marketing, Hospitality and Culinary.

Tavish Ernst

Tavish is a returning student enrolled in the Business Studies Program. He plans to earn a four-year degree. Tavish is a member of MxCC's Honors Program.

Raena Ferguson

Raena is a returning student enrolled in the Radiologic Technology Program. She is a member of the Phi Theta Kappa Honor Society. According to one of her professors, Raena demonstrates a high level of patient care.

Victoria Footit

Victoria is a returning student enrolled in the General Studies Program. Her future career goal is to become a USDA Meat/Food Inspector.

Alexander Foster

Alexander is a returning student enrolled in the Engineering Science Program. He is a member of the Phi Theta Kappa Honor Society. Alexander plans to pursue a career in engineering.

Jazmyn Freeman

Jazmyn is a returning student enrolled in General Studies, taking classes to prepare her to enter a nursing program. Jazmyn currently serves in the Army National Guard.

Marisol Garcia

Marisol is a returning student enrolled in the General Studies and Political Science Programs. She plans to pursue a Bachelor's Degree and beyond. Marisol has an interest in criminal justice reform.

Britney Godfrey

Britney is a returning student enrolled in the Engineering Science Program. She plans to attend Central Connecticut State University and earn a Bachelor's Degree in Mechanical Engineering.

Adam Gomez

Adam is a returning student. While currently undecided about his degree program, he is in the Honor's Program and would like to pursue a four-year degree.

John Guillamon

John is graduating in June 2020 with an Associate degree in Engineering Science. At MxCC he has been a member of the Honors Program, Phi Theta Kappa Honor Society and the Math Honor Society. John plans to pursue a Bachelor's degree in Engineering.

Cristopher Guzman

Cristopher is a returning student enrolled in the Liberal Arts and Sciences Program. He aspires to become a Synthetic Biologist.

Jennifer Haddad

Jennifer is graduating in June 2020 from the Ophthalmic Design and Dispensing Program. She is a member of the Phi Theta Kappa Honor Society and plans to attend ECSU in the fall.

Tessa Halley

Tessa is a returning student in the Radiologic Technology Program. She looks forward to becoming a Radiological Technologist. She enjoys volunteering with the elderly.

John Howell

John is graduating in June 2020 with an Associate Degree in Liberal Arts and Sciences. His future career goal is to become a healthcare professional. He is a member of the Phi Theta Kappa Honor Society.

Norah Jones

Norah is a returning student enrolled in the Business Administration Program. She hopes to pursue a career in Accounting and become a businesswoman.

Quiana Jones

Quiana is graduating in June 2020 with an Associate Degree in Psychology Studies. She plans to pursue a Bachelor's Degree next. Quiana volunteers at United Way of Greater Meriden/Wallingford.

Destini Kennedy

Destini is a returning student enrolled in the Radiologic Technology Program. She plans to pursue a career as a Radiologic Technician. Destini enjoys working with patients.

Patricia Kiszka

Patricia is a returning student enrolled in the Radiologic Technology Program. She looks forward to fulfilling her dream of becoming a radiologic technologist. Through her job, she has helped coordinate fundraising events for breast cancer awareness and Toys for Tots.

Gary Lambert

Gary is a returning student enrolled in the Social Work Studies Program. As a career goal, he wishes to attain a Master of Social Work degree. Gary is a community activist and a member of the Phi Theta Kappa Honor Society.

Thomas Laskowski

Thomas is a returning student enrolled in the Psychology Studies Program. He plans to get a Master's Degree in Counseling and Pastoral Studies. Thomas is a member of the MxCC Honors Program and the Phi Theta Kappa Honor Society.

Brenda Lira Velasco

Brenda is a returning student enrolled in the Computer Science Program. Brenda credits her three children with being her inspiration to continue her education.

Elizabeth Luksic

Elizabeth is a returning student enrolled in the Veterinary Technology Program. She is the MxCC Student Senate President. Elizabeth is very involved in student activities.

Brianna Martin

Brianna is a returning student in the Social Work Studies Program. She is in the Honors Program and hopes to attend CCSU to obtain her Bachelor's Degree.

Emira Martin

Emira is a returning student enrolled in the Psychology Studies Program. Her future goal is to become a Social Worker and work with adolescent sex offenders.

Elizabeth McLean

Elizabeth is a returning student in the Biology Studies Program. Her goal is to use her passion about the environment to educate others.

Riley McConnell

Riley is a returning student enrolled in the Communication Studies Program. She is in the Honors Program and plans to pursue a Bachelor's Degree. Riley served as a legislative intern this year.

Abigail Mele

Abigail is graduating in June 2020 with a General Studies Associate Degree. She was an English tutor in the Academic Success Center and may pursue her passion for English for her Bachelor's Degree.

Jimmy Mendoza

Jimmy is graduating in June 2020 with a Computer Science Studies Associate Degree. He will be attending CCSU to pursue a Computer Science Bachelor's Degree and to further his understanding of the field of Robotics.

Sarrah Mierzejewski

Sarrah is a returning student enrolled in the Liberal Arts and Sciences Program. After Middlesex, she plans to attain a Bachelor of Science in Nursing degree. Sarrah has a desire to help those in need.

Elizabeth Moag

Elizabeth is a returning student in the Manufacturing Machine Technology Program. She is a member of the Phi Theta Kappa Honor Society. Elizabeth received an award for academic excellence in May 2020.

Jennifer Mol

Jennifer will be a new student to MxCC in fall 2020 and is enrolled in the Psychology Studies Program. After receiving her Associate Degree, she plans to attain a Bachelor's Degree at a four-year institution.

Iris Morales

Iris is graduating in June 2020 with an Associate Degree in Human Services. She hopes to attain her Bachelor's Degree in Social Work. Iris worked as an intern for the Meriden YMCA Child Care.

Afkar Mubarak

Afkar is a returning student in the Radiologic Technology Program. She is a member of the PTK Honor Society. According to one of her professors, she demonstrates high level patient care skills.

Michael Murallo

Michael is a returning student enrolled in the Radiologic Technology Program. He is looking forward to a fulfilling career as a Radiologic Technologist.

Jennifer Musco

Jennifer is a returning student in the Health Information Management Program. She enjoys sharing college stories with her two daughters, who are also in college.

Kayla Nowak

Kayla is a returning student in the Radiologic Technology Program. She enjoys being in a field that is technologically advanced and challenging.

Alyssa Pardo

Alyssa is a returning student enrolled in the Fine Arts Program. She enjoys volunteering and wants to live life to the fullest.

Rohini Patil

Rohini is a returning student enrolled in the Health Information Management Program. Her interest lies in learning more about data science and analytics in the Health Industry.

Lesley Phaneuf

Lesley is a returning student enrolled in the Radiologic Technology Program. She looks forward to being in a career as a radiologic technician where she can assist people.

Bryan Prado

Bryan is a returning student enrolled in the Radiologic Technology Program. Upon graduating, he plans to expand his knowledge to include MRIs.

Gwenyth Pytel

Gwenyth is a returning student in the Radiologic Technology Program. She plans to expand her knowledge and gain certification in mammography upon completion of the program.

Natalia Razmakhnin

Natalia is a returning student in the Fine Arts Program. Her love for art was sparked by Norman Rockwell.

Selena Rivera

Selena is graduating in June 2020 with an Associate Degree in Sociology and an Associate Degree in Social Work Studies. She plans to continue her education and earn a Bachelor's Degree.

Matthew Ryan

Matthew is a returning student enrolled in the Computer Information Technology Program. He is a member of the Phi Theta Kappa Honor Society and his career goal is to become a network administrator.

Jessenia Sterling

Jessenia is graduating in June 2020 with an Associate Degree in Social Work Studies. She is a member of the Phi Theta Kappa Honor Society and plans to get a Masters of Social Work.

Kamie Thornton

Kamie is a returning student enrolled in the Art Studies program. She would like to obtain a degree in Art Therapy and Counseling and work in a pediatric hospital.

Sharnice Turner

Sharnice is a returning student enrolled in the Liberal Arts and Sciences Program. Her career goal is to become a Veterinarian. Sharnice served as a Student Senator.

Adele Veilleux

Adele is a returning student enrolled in the General Studies Program. Her career goal is to become a nurse. Adele has worked for the Magic Food Bus, MxCC's food pantry.

Sarah Wall

Sarah is graduating in June 2020 with an Associate Degree in Early Childhood Education and plans to continue her education at Southern CT State University. Sarah has volunteered for several organizations.

Quenisha Williams

Quenisha Williams is a returning student enrolled in the Business Administration Program. Her goal is to open a store front for her business. Quenisha has worked in MxCC's Academic Success Center.

Kyon Wilson

Kyon is a returning student in the Film and Video Production Program. He hopes to one day build a production studio in Connecticut.

Corrine Yasevac

Corrine is a returning student in the Radiologic Technology Program. She looks forward to having a career in Radiology and would also like to continue her education to be certified in CT scan.

Scholarships Awarded

The Altrusa International of Central Connecticut Scholarship

This scholarship is awarded to a graduating non-traditional student demonstrating exemplary community service who wishes to pursue a bachelor's degree.

The Alumni Endowed Scholarship

This scholarship is awarded to an entering or returning student who needs assistance to continue their education and has a GPA of 3.0 or higher.

The Boris Burack Endowed Scholarship

This scholarship was endowed in 2001 by the Foundation to honor the first Chair of the College's English Department. It is awarded to a continuing or graduating student with a GPA of 2.5 or higher who needs assistance to remain in college and/or continue a formal education at a four-year institution.

The Carolyn & Ken Innocenzi Meriden Administrator Scholarship

This scholarship is awarded to one female student and one male student both from Meriden, with a preference given to students attending MxCC@Platt. They must have a 2.0 or higher GPA and a demonstrated willingness to succeed.

The Catherine L. Dennis Endowed Scholarship

This scholarship was endowed in 2004 by Catherine's husband, George, and their adult children in her memory. She believed deeply in the value of education. It is awarded to a woman committed to earning a bachelor's degree in social work or human services who may be financially unable to do so without this scholarship.

The Charles and Rachel Wiltsie Scholarship

This scholarship was established by Chuck Wiltsie, longtime former board member of the MxCC Foundation, and his wife, Rachel. This scholarship is presented to an entering or returning student, motivated to succeed, clear about how this scholarship will help to achieve success, and with a GPA of 2.5 or higher.

The Dave Champion Memorial Scholarship

This scholarship is awarded to a second year returning student who demonstrates determination and a hard work ethic in the field of Veterinary Technology.

The Dean Adrienne Maslin Endowed Scholarship

This scholarship was established by the MxCC Student Senate in honor of retired Dean of Students, Dr. Adrienne Maslin. It is awarded to a graduating student transferring to a four-year institution with strong evidence of participation in college activities and a GPA of 2.5 or higher.

The Dean Richard Muniz Family Annual and Endowed Scholarship

This scholarship is supported by former MxCC Dean of Continuing Education Richard Muniz and his family. It is presented to a new or continuing Hispanic student, matriculated in a degree program on a full or part-time basis with a 3.3 GPA or higher. Some community experience is desired.

The Deans Endowed Scholarship

This scholarship was endowed in 2001 by the Foundation to honor Deans who have made outstanding and substantial contributions to the College. It is awarded to a continuing student based on the equally weighted criteria of academic performance, attainment of at least twenty credits at MxCC, and service to the College.

The Eames Family Endowed Scholarship

This scholarship was established and supported by former MxCC Foundation Board Chair, George M. Eames, IV. It is awarded to returning or graduating students of any academic field, who hold an average or above average GPA, have been active leaders or volunteers while at MxCC, and who are committed to earning a bachelor's degree.

The Edie Fuld Endowed Scholarship

This scholarship was established in 2001 by parents and friends of Edie Fuld to honor her and recognize the compassion, energy, and enthusiasm she showed to both students and colleagues while acting as the MxCC Coordinator of Student Activities. It is awarded to a continuing student who has demonstrated interest in human services, especially student services, and has a GPA of 2.5 or higher.

The Founders Endowed Scholarship

This scholarship was endowed in 2001 by the Foundation to honor those whose foresight and labor led to the creation of MxCC and to recognize all who have helped nurture that original vision of the College. It is awarded to an outstanding continuing or graduating student.

The Gandhi Endowed Scholarship

This scholarship is awarded to an entering or returning student from Middletown with a diverse background and experiences, who demonstrate academic excellence and is enrolled full-time.

The Gene Haas Foundation Scholarship

This scholarship is awarded to a new or returning student in Manufacturing with strong financial need. The student must demonstrate academic stability.

The Herbert Levine, MD Endowed Scholarship

This scholarship is awarded to a graduating student with a love for liberal arts, a commitment to higher education beyond an associate's degree, and with a GPA of 3.7 or higher.

The Hugh and Judith Cox Scholarship

Hugh Cox was a Corporator, former member of the MxCC Foundation Board, and a former Trustee of the Connecticut Community College System. Mr. and Mrs. Cox were proud alumni parents. This scholarship is awarded to entering or returning students, with preference given to those planning to enroll in nursing, Radiologic Technology, Ophthalmic Design & Dispensing, or physical or biological science.

The Jesse J. Salafia Nursing Scholarship

This award is funded by Jesse and Ann Salafia. In 2014, Mr. Salafia became a centenarian. He was a 1976 alumnus of MxCC, and a longtime member of the MxCC Foundation Board. This scholarship is awarded to an entering or returning student planning to enroll in a nursing program with a GPA of 2.5 or higher.

The Judith and Robert Walsh Scholarship

This scholarship was established by Judith and Robert Walsh. It is awarded to a student who demonstrates the drive, initiative, and commitment to be successful in his/her studies.

The Liberty Bank Foundation Scholarship

This scholarship is awarded to an incoming student who is a graduate of a high school in Middlesex County, or any other town served by Liberty Bank. Preference is based on academic achievement and involvement in extracurricular activities.

The Lisa Massita Scholarship

This scholarship is funded by the MxCC Student Senate in memory of Lisa Massita, Senate President, who passed away in 1998. This scholarship is awarded to a returning or graduating student who demonstrates an outstanding commitment to the College, and maintains a GPA of 2.5 or higher.

The Martha DePecol-Sanner Endowed Scholarship

This endowed scholarship was established in 2003 from a bequest of Martha DePecol-Sanner, an extraordinary educator at MxCC who was well respected and highly regarded by students, faculty, and staff. This scholarship is awarded to non-traditional, returning students with an interest in allied health.

Middletown Mayor's Scholarship at MxCC

Middletown Mayor's Scholarship at MxCC is funded by the Office of the Mayor, City of Middletown. It is awarded to a full-time entering or returning student who is a graduate of a Middletown high school (Middletown, Xavier, Mercy or Vinal Tech), with a GPA of 3.0 or higher. Preference is given (not required) to students enrolled in Criminal Justice or Human Services, with career goals relating to public service.

The Melvin-Zaffino Scholarship

This scholarship is awarded to a returning or graduating student. Students with financial need are given preference.

The Middlesex United Way Women's Initiative Scholarship

This scholarship is awarded to a new or continuing female student residing in Middlesex County majoring in a STEM field (Science, Technology, Engineering or Math), with a 2.5 + GPA. Preference will be given to a full-time student who is a single parent and/or Asset Limited, Income Constrained, Employed (ALICE).

The MILE Scholarship

This scholarship is funded by the Middlesex Institute for Lifelong Education; and is awarded to returning, non-traditional students, with a GPA of 3.0 or higher, and demonstrated academic achievement.

The MxCC Faculty Endowed Scholarship

This scholarship was endowed in 2001 by the MxCC Foundation to honor faculty who have been exemplary educators. It is awarded to a continuing or graduating student who has distinguished himself/herself through academic excellence, and made contributions to the college community.

The MxCC Foundation Scholarship

This scholarship is supported by the MxCC Foundation's annual fund raising efforts. It is awarded to a student with some community experience and academic excellence.

The Nihla and Bob Lapidus Foundation Scholarship

This scholarship is funded through the family foundation established by Bob Lapidus, founder of Bob's Stores, and his wife, Nihla. It is awarded to entering or returning students who are highly motivated to succeed.

The Patrick Campbell Memorial Scholarship

This scholarship is awarded to a non-traditional student, older than 22 years of age, who wishes to use MxCC as a vehicle to start a new career or change his/her vocation.

The Paul L. Jones Foundation Scholarship

This scholarship is awarded to new or returning full-time students with a GPA of 3.0 or higher, in the field of laboratory technology, medical technology or any other profession related to the preservation and restoration of health in human beings.

The Peach Pit Foundation Scholarship

This scholarship was established by Sharon Griffin through the Peach Pit Foundation. It is awarded to students enrolling in either the Certified Nurse Aide or Patient Care Technician Programs; or to new or returning students who are currently enrolled, either full or part time, with a 2.5 GPA or higher, and demonstrate motivation to succeed.

The Phi Theta Kappa Scholarship

This scholarship is awarded to members of the Phi Theta Kappa National Honor Society. Consideration is based on contribution to PTK and MxCC, and is presented to returning or graduating students demonstrating academic achievement.

The Philip and Amy Wheaton Endowed Scholarship

This scholarship is funded by the family and friends of MxCC's founding President, Philip Wheaton, and his wife Amy, a former chairperson of the MxCC Foundation Scholarship Committee. It is awarded to a returning or graduating student.

The PMA Manufacturing Scholarship

This scholarship is awarded to a new or returning student in the field of manufacturing. Students must be in good academic standing and have a GPA of 2.5 or higher.

The Raymond S. Robinson Endowed Scholarship

This scholarship was established from a bequest of Hazel Robinson of Portland. It is awarded to a new or returning student with a strong work ethic and determination to succeed.

The Record-Journal Foundation Scholarship

This scholarship is funded by the charitable foundation of the Meriden Record-Journal. It is awarded to a student in the Meriden or Wallingford area enrolled at MxCC in at least nine-credit hours per semester, demonstrating academic accomplishment with a GPA of 2.7 or higher.

The Robert A. Chapman Endowed Scholarship

This scholarship was endowed in 2001 by the MxCC Foundation to honor the second President of Middlesex Community College, Robert A. Chapman. It is awarded to a continuing student who has distinguished himself/herself through academic excellence, unusual efforts, or community service.

The Rowland and Ruth Beaulieu Business Administration Scholarship & The Rowland and Ruth Beaulieu Endowed Scholarship

These scholarships were established by Suellen Beaulieu in memory of her parents, Rowland and Ruth. They are presented to returning students in Business Administration with a GPA of 3.0 or higher.

The Sarah Cavanaugh Memorial Award

This is a memorial scholarship honoring Sarah Cavanaugh, daughter of MxCC Employee Michael Cavanaugh and his wife Sharon. It is awarded to a student majoring in the Fine Arts field with preference given to the Art Studies or Fine Arts Associate Degree program. The award is presented to a new or returning student in good academic standing with a GPA of 2.5 or higher.

The STEM Scholarship

This scholarship is awarded to a new or returning student who is registered for at least 6 credits and enrolled in a STEM related program.

The Stephanie Nelson Scholarship

This scholarship was established in memory of MxCC student, Stephanie Nelson, who interned at Wesleyan University's Center for the Arts during her time at MxCC in 2014, prior to her sudden passing. This scholarship is awarded to a student with an average or above average GPA. Preference will be given to a student with a desire to work as an intern at Wesleyan University in the field of broadcast communications or multimedia.

The STRIVE Scholarship

This scholarship is awarded to students with unusual or extraordinary circumstance, or a defined barrier, for example: undocumented or immigrant students, first generation students, ex-offenders, who are highly motivated.

The Susan M. Smart Memorial Scholarship

This memorial scholarship is funded by the Student Senate in memory of Susan Smart, Senate Vice-President who died in 1989. It is awarded to a returning or graduating student who demonstrates academic achievement and is involved in college activities.

The Women in STEM Scholarship

This scholarship was established by MxCC Professor Donna Hylton. It is awarded to a female student who pursuing a degree in STEM or technology-related field.
