Greetings from the Foundation

Middlesex Community College makes a real difference in people’s lives. We see this whenever we run into a MxCC graduate at an event, at a neighborhood store, or a local business. Middlesex alumni are thoughtful and productive members of the community, whose lives have changed because of the education they received from the incredible faculty at MxCC.

Our community’s college educates and supports the development and dreams of every student who steps onto our campus because of supporters like you. You are making a real difference in the lives of so many of our students. You are making futures bright and changing lives forever.

With your continued support, we can keep our community’s college strong and in turn, our community strong. Thank you!

LAURA A. KRUEGER, Alumna
Chair, Middlesex Community College Foundation

Students are the Center of Middlesex Community College

They come straight from high school. They come from the workplace to refresh their skills or seek a career change. They care for family members and struggle with food insecurity. They are in prison trying to turn their lives around.

They are increasingly diverse: Three-fifths are women; 9% are African-American; and 22% are Hispanic/Latinx, designating MxCC as an Emerging Hispanic-Serving Institution.

They are the smallest student body at MxCC in 30 years. This is the result of the combined effects of the pandemic, economic insecurity, demographic shifts (i.e., fewer college-age students) and increasing choices in the higher education landscape.

You are a major partner in the lives of ALL of our students. Your support funds scholarships, academic program enhancements, and innovation projects undertaken by the fantastic faculty and staff who work at MxCC.

We are “Your College—Your Future” thanks to the support you provide through the MxCC Foundation. Your generous financial contributions, friendship, and tireless advocacy allow MxCC to be an important chapter in our students’ personal stories. Your faith in our ability to transform the lives of our students is truly inspirational. Thank you.

STEVEN MINKLER, Ed.D.
Chief Executive Officer, Middlesex Community College

MxCC CARES

Created after the pandemic hit in Spring 2020, MxCC Cares helps offset the financial struggles many students already face with work, family, and college responsibilities. Donations, such as $2,500 from the Community Foundation of Middlesex County, funded emergency micro-grants that were distributed during the past year. The CUNO Foundation targeted $3,000 for Meriden students. The MILE and Line of Hope awards also assisted by funding micro-grants toward books, living expenses, and incidental costs that may hinder students from succeeding.

SCHOLARSHIPS HELP CREATE THE FUTURE

The MxCC Foundation virtually congratulated 84 students who received a total of $85,950 through 97 scholarships in May 2021. Hosts for the online ceremony, produced by the Center for New Media, were Dean of Administration Kimberly Hogan and Professor Frank Stellabotte, co-chair of the scholarship committee.

NEW SCHOLARSHIP FUNDS

The Gene Haas Foundation awarded $12,500 in grant funding for manufacturing scholarships. These are based on merit and awarded to precision manufacturing students to cover tuition, books, and personal tooling supplies.

Established by donors Alfred and Debbie Loomer, the Amy Loved Animals Memorial Scholarship recognizes “Amy,” a vibrant 12-year-old who had a big heart, kind soul, and a love for animals. This scholarship is for veterinary technology students who demonstrate a commitment to animal welfare.

The Eriksen Family Scholarship was created by Richard Eriksen, MxCC professor of multimedia/digital arts, and his family. Eligible recipients must be a full- or part-time student, preferably studying art or graphic design, and intending to earn a four-year degree.

The Follett Scholarship was established through achieving funds as a partner of the annual Red Moon fundraiser.

The Insalco Scholarship was created in 2021 through the generous support of the Insalco Corp. The recipient should be a continuing or graduating student who is seeking a four-year degree and demonstrates a proven drive to succeed in college.

EIS Foundation • $2,000 for Annual Giving
A VIRTUAL 2020 RED MOON

The MxCC Foundation presented its ninth annual Red Moon fundraiser as a livestreamed event in October 2020. Hosted by Dean Kimberly Hogan and Professor Rick Eriksen, the Red Moon kicked off the fall giving season, bringing together community members, alumni, faculty, and staff to support student scholarships while enjoying musical entertainment and a chance at winning prizes by purchasing raffle tickets. Winners were announced at the Fall 2020 virtual annual meeting. Thank you to our 2020 sponsors and donors who helped raise over $35,000.

WASESCHA HONORS FUND

Special appreciation goes to former MxCC President Anna Wasescha, who celebrated her 70th birthday with family and friends by donating to the Wasescha Honors Fund via the MxCC Foundation last year. Her legacy includes creating the annual Red Moon event and establishing the Honors Program.

MAGIC FOOD BUS THRIVES

The Magic Food Bus food pantry distributed more than 6,000 units of food to students during the past year. In May, the Magic Food Bus team handed out nearly 800 food items during a special drive-up distribution event. Also in the spring, volunteers spruced up the Veterans Memorial Natural Garden during Community Build Day, using a $2,500 grant from The Rockfall Foundation. Other Magic Food Bus support included:

- $5,500 Stop & Shop (to MxCC)
- $2,000 Middlesex United Way
- $2,000 Webster Private Bank
- $1,500 Community Foundation of Middlesex County
- $1,000 Hartford Foundation for Public Giving

SUPPORT FROM BIRDIES FOR CHARITY

The MxCC Foundation again took advantage of the Travelers Championship Birdies for Charity fundraising program. Donations to the Foundation via the online platform are increased with a 15% bonus sponsored by Webster Bank. The pro golf event was held in June and took in nearly $3,000 for the MxCC Foundation. Thank you to those who donated!

GRAD DASH BRINGS RUNNERS TO CAMPUS

On a gorgeous Saturday morning, runners from across New England and New York took part in the MxCC Grad Dash (5K and 10K)—one of the first in-person road races held in the area since the pandemic began. With 96 runners registered, the successful community event on May 15 raised about $4,000. Thank you to all the runners, community sponsors, and volunteers!
