You must have completed the 2021-2022 FAFSA before applying for summer aid (if you have not already done so). Pell Grants are available for the summer session(s).

Summer Pell Policy
There are two ways a Pell-eligible student can receive Pell Grants for the summer.

1) If you have used the full Pell award by attending full-time (12+ credits) for both Fall and Spring, you must take a minimum of 6 credits to qualify for "Year-Round Pell."
2) If you were a part-time student in either semester and have not used your full award, any remaining funds may be used for summer classes.

There is no PACT funding for summer.

You must be enrolled in classes that are curriculum requirements for your current degree or eligible certificate program at Middlesex Community College (MxCC). You must also be making satisfactory academic progress in order to receive aid, and meet all eligibility requirements as published on the Financial Aid page of the MxCC web site, college catalog, etc.

If you are a degree candidate at another college, you are not eligible for summer aid at MxCC.

You are expected to be in attendance. If you cease attendance, withdraw from a course, or never attend classes, your aid may be canceled in part or in full. You will be liable for the repayment of funds if aid has already been disbursed to you.

I certify that I have read the terms for Summer 2022 aid eligibility and understand all the conditions noted above.
