INTERN AT THE CONNECTICUT STATE CAPITOL!

Learn about state government and earn 6 credits with Middlesex Community College (CT State) in the spring 2024 semester as a legislative intern at the State Capitol. A major in political science and prior political experience are not required. The 6 credits transfer to the CSUs, UConn, and many other colleges and universities.

Interns work with a state senator or representative and develop first-hand knowledge of the real world of politics. They perform a variety of tasks including analysis of legislative proposals, monitoring committee and floor action, constituent casework, and policy research. An academic component is included in the program, which includes orientation sessions and seminars. Interns work at the State Capitol two full days per week during the spring semester.
