List the course(s) you plan to enroll in during Winter 2022:

_____	_____	_____

You must have completed the 2022-2023 FAFSA before applying for winter aid (if you have not already done so).

Pell grants for winter study are available to students who are Pell-eligible and have not exhausted their Spring 2023 eligibility. A student is limited to the amount of remaining Pell grant for the academic year in progress. For financial aid purposes, winter intercession classes are considered part of the Spring term.

You must be enrolled in classes that are curriculum requirements for your current degree or eligible certificate program at Middlesex Community College (MxCC). You must also be making satisfactory academic progress in order to receive aid.

If you are a degree candidate at another college, you are not eligible for winter aid at MxCC.

You are expected to be in attendance. If you cease attendance, withdraw from a course, or never attend classes, your aid will be canceled in part or in full. You will be liable for the repayment of funds if aid has already been disbursed to you.

I certify that I have read the terms for Winter 2022 aid eligibility and understand all the conditions noted above.
