## **Program Effectiveness Data**

\*Note—Graduate follow up surveys are typically sent to graduates 1 year following graduation. Information is updated as graduate surveys are received and analyzed each year.

## **Credentialing Pass Rate**

Five-year average credentialing examination (American Registry of Radiologic Technologists Radiography exam) pass rate of not less than 75 percent at first attempt within 6 months of graduation. The credentialing examination pass rate is the number of graduates who, on the first attempt, pass the American Registry of Radiologic Technologists certification exam.

Credentialing Examination Rate Year	Number passed on 1 <sup>st</sup> attempt divided by the number attempt within 6 months of graduation. Results
